

Tornado Air-Bike

Features : Air-resistance, Belt driven, Transport wheels & High Contrast LCD Resolution console.

Overview:

The new Gym Gear Tornado Air Bike is the perfect tool for intense cardio workouts, or more gentle workouts and rehabilitation. The unique air resistance is channelled through the dual action system to both the arms and legs providing a total body workout. The faster you pedal the greater the resistance. Designed for commercial environments the Tornado Air Bike is both durable and comfortable.
